

Aussie Redback Tours

Kakadu and Litchfield National Parks with Leonie Norton

Itinerary

Day 5 Fri – Nitmiluk NP / Springvale Homestead

You'll have an early morning start with a cruise on stunning Katherine Gorge, viewing the spectacular rock formations, and learning the cultural significance of the traditional landowners—the Jawoyn People. The cruise is followed by a full cooked breakfast back at the Visitors Centre in Nitmiluk National Park. We return to Katherine later for lunch then in the afternoon we spend time at the Springvale Homestead (the oldest station in the Northern Territory) for some lovely sketching opportunities. Such an enjoyable way to spend a painting holiday! (B)

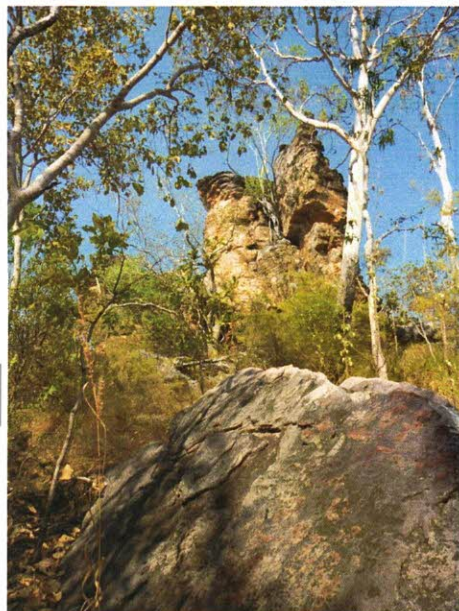

Day 6 Sat - Kakadu National Park

We leave Katherine and travel the Kakadu Highway, stopping at Mary River Roadhouse for morning tea, then we continue through to Kakadu National Park, famous for its Aboriginal rock art, galleries, birdwatching, and spectacular scenery. We spend two nights at Kakadu Lodge, set in tranquil tropical surrounds. There is still time this afternoon for some sketching of your surroundings and a review of your paintings with Leonie before dinner.(B,D)

Day 7 Sun - Kakadu National Park

Today is all about Kakadu National Park. This is the largest national park in Australia, covering almost 20,000 square kilometres, and home to the traditional Aboriginal owners—the Bininj/Mungguy people. We find a special place in the park to set up and enjoy for the day, sketching the beautiful surroundings. We also visit Bowali Visitors Centre for an insight into what makes Kakadu National Park so spectacular, and there is also an opportunity to take a scenic flight over the Park (own expense). (B)

Day 8 Mon– Windows on the Wetlands/Darwin

Departing Kakadu, we travel the Arnhem Highway, stopping at Window on the Wetlands for another painting opportunity. For half of the year the wetlands are flooded, while in the dry season they are baked and dried out. The region is one of great contrast. The wetlands are the highest point on the Adelaide River. In the afternoon we return to Darwin for our last night, dining at the Darwin Sailing Club, known for its spectacular sunsets. (B,D)

Day 9 Tue -

After an amazing tour of Litchfield and Kakadu National Parks, you will be transferred to the airport for your flight home. (B)
